

Robert J. Edgar Elected President of the Civic Association

CHOSEN PRESIDENT AT ANNUAL
MEETING HELD LAST FRIDAY
EVENING—OTHER OFFICIALS
SELECTED AND INTERESTING
TALKS GIVEN.

Robert J. Edgar, who has served the Narberth Civic Association so faithfully and efficiently as Secretary during the past year, was elected President of the organization at the annual meeting held last Friday evening in the Community Room of the Y. M. C. A. Other officers elected for the ensuing year were: Vice-Presidents, A. J. Loos, J. H. Nash, Mrs. C. P. Fowler; Secretary, Miss Ruth E. Prescott; Treasurer, Miss Maizie J. Simpson; Director, to serve two years, Walter A. Fox; Directors, to serve three years, Mrs. A. B. Ross, A. E. Wohlert, J. Garfield Atherholt, C. L. Warwick, I. A. Miller, Mrs. David D. Stickney.

The first meeting of the new officers and Board of Directors will be held Thursday evening, April 15, in the Y. M. C. A. Community Room, at which time President Edgar plans to appoint committees and outline plans for the year's work of the Association.

Last Friday evening's meeting was well attended, and those in attendance

Getting Ready for the Tennis Season

MANY NEW MEMBERS ELECTED.
COMMITTEES APPOINTED—PLAN-
NING TO PUT COURTS
IN SHAPE.

Anxious members of the Narberth Tennis Association who cast longing glances at the "battlefield" every time they pass the Association's courts at Elmwood and Essex avenues, these fine spring days, are asked to keep just as patient as they can!

The newly elected officers of the Association have organized for the season, the committees have been appointed—the Grounds Committee is already on the job—and the playing season will start as soon as possible.

President Newell has selected the following committees for the 1920 season:

Grounds—Chairman, Jesse Harris, and Messrs. Grugan, Tompkins, Femo, Bailey.

Membership—Chairman, Perry Redifer, Sr., and Messrs. J. Harris and Muschamp.

Tournament—Chairman, Newell, and Messrs. Staples and Kirkpatrick.

Entertainment—Chairman, Pattison, and Messrs. Grugan and Muschamp.

The Grounds Committee hopes—but makes no definite promises on account of the uncertainty of April weather—to have the courts ready for playing by May 1. Our Town is keeping in touch with Chairman Harris, and will "flash" the glad news to a waiting world at the very earliest possible date.

The Membership Committee has approved the applications of 31 new members, including four lady members, who will be immediately notified of their election.

Trustees Organize.

The newly created Board of Trustees who have charge of the development of the new Tennis Club house and grounds, has held its first meeting, organized and selected W. R. D. Hall as chairman. The Trustees will shortly have an important public announcement to make, probably in time for next week's issue of Our Town.

Special Easter Music

A musical treat is in store for those who attend the Baptist Church of the Evangel Easter Sunday.

The choir, under the direction of Mr. Walter M. Keepers, will render a number of selections especially appropriate for this occasion.

Miss Mary Fulton Gibbons, violinist, of Narberth, will assist the choir at the evening service. A most cordial welcome is extended to all.

FEW CHANGES IN METHODIST ASSIGNMENTS ON MAIN LINE.

Few changes in pastorate resulted from Bishop Berry's appointments at the Philadelphia Methodist Episcopal Conference.

Newcomers are the Rev. A. S. Walls, Narberth; the Rev. W. L. Steck, Cynwyd; and the Rev. L. M. Johnson, Paoli.

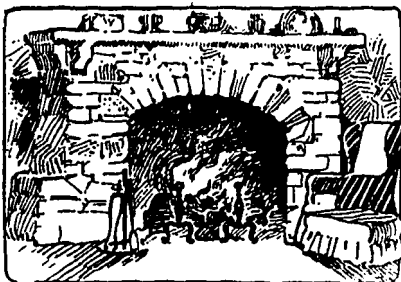

Retained in their charges were the Rev. S. R. Dunt, Matthew Simpson M. E. Church, Ardmore; the Rev. J. R. T. Gray, Radnor M. E. Church, Bryn Mawr; the Rev. C. D. Brodhead, St. Luke's M. E. Church, Bryn Mawr; the Rev. E. W. Rushton, Wayne; the Rev. O. S. Duffield, Llanerch; the Rev. A. W. Quimby, Berwyn, and the Rev. T. M. Hyde, Malvern.

Gladwyn will be supplied.

CLEAN UP WEEK.

A committee on Clean Up Week, which is not a week at all, but three days, has been appointed by the Main Line Citizens' Association, with Mr. Charles Z. Tryon as chairman. The Lower Merion Township Commissioners have fixed April 27, 28 and 29 as the dates for the Clean Up.

It is the hope of the committee and of the commissioners that householders will do their part in making the civic housecleaning a success, and in keeping up the good work throughout the year. Nothing makes so vivid an impression on the visitor to a town as the appearance of its streets, yards and vacant lots. It will be well to gather up the paper and tin cans for Clean Up Week, but it will be much better not to throw any more paper and rubbish where it will need to be picked up or remain an eyesore to all observers, except perhaps the owner of the unsightly spot.

Flavoring Extract.

The store room is gradually being filled, but it is earnestly hoped that the calls during the next two weeks will warrant using another room. The revenue from this sale will be used in making final settlement of the winter's coal bills. Will you help?

Easter Sunday in the Presbyterian Church

By the Committee.

As a fitting climax to the most helpful series of meetings held by this church during Holy Week, comes the beautiful Easter Day, which will be joyously celebrated in prayer and sermon and song. The Church Quartette will render special music in the morning, and in the evening a double quartette will sing the beautiful Easter cantata, "Everlasting Life." Special exercises will be held also, in the Sabbath School and Christian Endeavor meetings. It promises to be a wonderful day in the history of this Church.

The Royal Court of Sabbaths is 52 in number. 51 are Princes clothed in finest purple. But Easter Sabbath is the Queen of the Household. She wears a richer diadem and wields a more costly sceptre and in her smile are all nations blessed. Over the broken tomb in the garden she has written in glorious letters such words as **Life**, and **Hope** and **Victory**, and through all the world she sends her messengers to the downcast and defeated with the glad tidings of triumph over sin and death. Let us not make this holy day a mere holiday. But in the glad assurance that Christ rose from the dead and still lives, let us seek on this blessed Easter Day the assurance that we too are living in the newness of His life.

SCHOOL NOTES

"Without halting, without rest,
Lifting better up to best."

On Thursday, April 1, our school closed for Easter vacation. Appropriate exercises were held in celebration. The many words of encouragement and appreciation given by the audience help to more than repay those who spend countless hours in preparation.

Baseball practice has started and many speculations are offered as to who will "make" the team. May the Narberth School spirit bring the boys out for practice and so help create a winning team. Appeals for loyal co-operation on the part of the boys and girls have recently been given as part of the English work.

These are busy days for the Seniors. They are rehearsing for their Senior Play, doing their best to gather good material for their Year Book, which is well under way, and carrying their regular school programs besides. The editors of the Year Book do show wrinkled brows occasionally, but if you ask them, you'll find them ever optimistic—and ever working. It's up to their friends to support them!

Important!

Just released from Broadway. What? Why, "Miss Somebody Else," of course. It's the biggest hit of the season, and reserved seats in the High School auditorium at 8 o'clock on Saturday, April 17th, are offered for the moderate, almost insignificant, sum of 75 cents; regular admission is 50 cents. Get your tickets early, as we have only five hundred on hand. Let somebody else miss "Miss Somebody Else," but make sure you're not Miss Somebody Else!

AMATEUR ATHLETICS

Sport for sport's sake, something which every American man, woman, boy or girl appreciates, holds a big place in our lives.

When sport is highly professionalized by the paying of big salaries, it ceases to be sport, and is merely a business proposition or an exhibition of skill with the sport left out, and is not genuinely appreciated as real sport for sport's sake.

Our school boys put up exhibitions in various lines of sport that are a credit to the sporting instinct, the boys and the game itself. Some of these boys later develop into fine amateur athletes, and are very proud of the fact that they are amateurs, although they may be the most expert performers in their individual lines.

Just a word of praise to the Narberth Amateur Baseball Club, organized in 1919. Let us hope they will have a very successful season in 1920 and that the people of Narberth will root for them and help them bring down the championship.

Editorial

While Our Town is always pleased to receive communications regarding the welfare of Narberth, yet two communications have been submitted to Our Town by our Burgess and President of Council, contents of which we deem it advisable at this time to withhold, but which deal directly with the unfortunate conditions existing.

The writer of one of these letters states that he does not want any "provincial ideas regarding the proclivities of boys, but it is very apparent that the corner lounging in Narberth should receive particular attention, for it is eating into the respectability of the town, and from personal experience I know that the 'gang' contains two or three members whose vicious inclinations won't be exceeded in Rament."

Narberth Council has authorized the appointment of a special policeman, and is making every effort to secure an efficient and vigilant police officer who will be instructed to end at once the evils complained of in these letters.

No positive plans have as yet been developed regarding the Narberth Baseball Club for this season, and many of our local enthusiasts are wondering just what will be done in placing a first-class team in the field at an early date. As the season is almost upon us, if anything is to be done in this respect, quick action must be taken, and it is sincerely hoped that our local townspeople will not overlook the great importance of having a representative 1920 team for our borough, as there is no doubt but that the past Narberth baseball history has done as much as anything to advertise our borough, as very few of the Philadelphia suburban towns can boast of as high a standing as Narberth can in this respect. The

SALARIES RAISED.

Haverford College Faculty Get 20 to 45 Per Cent. Boost.

At the meeting of the Board of Managers of Haverford College last week at Haverford, a notable increase was made in the salaries of the faculty. Full professors were raised to \$5,000 a year, associate professors to \$4,000, and as-

sistant professors to \$3,000, making an increase of from twenty to forty-five per cent. for all members of the faculty, with an average increase of about thirty-five per cent. The salary of instructors will vary widely, according to length and character of service rendered.

Before 1914 Haverford had stood in the first rank among colleges of its class as regards the compensation of its faculty, but recent price increases had made the old salaries insufficient. The action of the board puts the salaries at the Main Line institution on an equal basis with the rest of the colleges of its class in the country.

At the same meeting Dean P. Lockwood, associate professor of Latin, was elected librarian of the college library, which contains 80,000 volumes, being the largest collection of books on Quaker history in America. Dr. Rayner W. Kelsey was appointed professor of history.

members can secure guest cards from Mrs. W. Mulholland, Chestnut avenue.

Have you ordered your dahlia roots? The growers are distributing complete and comprehensive catalogues. Roots should be planted in the open about May 15, so that your flowers will be ready for the Narberth Dahlia Show, September 25.

There will be so many necessary articles at attractive prices and good quality that everyone ought to make some provision for carrying their goods home; therefore, bring your shopping bags with you April 23rd and 24th, at the Woman's Community Club Bazaar in Elm Hall.

The Woman's Community Club of Narberth have planned a big time for their Card Party to be held next Saturday evening in Elm Hall at 8 o'clock. The admittance is \$1.00, and up to the present moment a large number of tickets have been sold. Refreshments will be served and a very pleasant evening is planned for. It will be well to make early reservations, as tickets are going very fast, which can be procured from any of the Club members.

The Women's Community Club will give a card party on April 10, at 8 P. M., in Elm Hall, which promises to surpass all their previous efforts in this direction. There will be tables for "bridge" and "500," with many beautiful prizes. All who want a good time should get tickets early from Mrs. Harry A. Jacobs, chairman of Hospitality Committee.

The political debate under the auspices of the Citizenship Department of the Woman's Club of Cynwyd, between Mrs. Rosalie Loew Whitney, of New York, representing the Republican National Woman's Committee, and Mrs. Antoinette Funk, of Washington, representing the Democratic National Woman's Committee, will be held on April 15th in St. Matthias' Hall, Cynwyd, instead of April 8th at Bala-Cynwyd Auditorium, as previously stated.

The dance will be for the members of the Association, who will have the privilege of inviting a limited number of their friends. Tickets will be \$1.10, including war tax.

It is planned to introduce a special feature at this spring dance which will make an especially interesting appeal to the active members of the Association.

NARBERTH AND NARBROOK.

The 1920 edition of the Main Line Atlas has just been distributed; published by a Narberth man, by the way. It is found that the only park development or model housing project in this section is Narbrook Park, in Narberth.

Houses have been built on twenty-six of the forty lots. This achievement of the Narberth Civic Association has been proclaimed a success and is certainly a credit to the Borough of Narberth.

DR. HARRIET HARTLEY TO SPEAK.

At the next meeting of the Woman's Community Club, April 6th, at 3 P. M., in the Y. M. C. A., Dr. Harriet Hartley, Chief of the Bureau of Child Hygiene, Philadelphia, will speak on "Child Hygiene," a subject of vital interest to all parents and one which could not be better discussed by anyone than Dr. Hartley.

As this is expected to be quite a large meeting, it is requested that Club members secure guest cards from Mrs. W. Mulholland, Chestnut avenue, in advance, in order to avoid any confusion at the door.

TO ENTERTAIN MISSIONARY SOCIETY.

The Woman's Foreign Missionary Society of the Methodist Episcopal Church will be entertained at the home of Mrs. George Morrill Davis, 121 Woodside avenue, on Monday afternoon, April 5th, at 2.30 o'clock. Lesson in our study book, "Crusade of Compassion," will be given by Miss Dorothy Chalfonte and Miss Olethia Lamb. Miss Marian Knapp, Mrs. H. H. Kynett, and Mrs. R. H. Schaefer, District Corresponding Secretary of the Philadelphia Conference, will have part in the program, which is in charge of Mrs. Charles E. Kreamer. Members and friends are invited.

FOR NATIONAL DELEGATE.

Clayton Alderfer, of the Penn Trust Company, Norristown, and Joseph R. Grundy, of Bucks County, are candidates for the Republican nomination as delegates to the Republican National Convention. Freas Styer and Charles Johnson, leaders of the party in this county, have filed petitions for membership on the State Committee of the Republican party.

LAST TWO NARBERTH WINTERS.

The snowfall at Narberth for the winter that officially ended March 20 makes a striking contrast to the snowfall of the previous winter.

For the winter recently ended the snowfall amounted to 33.6 inches.

For the previous winter the snowfall amounted to 4.2 inches.

Of course, the previous winter was a joke affair, one of those freaks that will occur from time to time, the most remarkable being that of 1889-90. There were no excessively low temperatures during the recent winter, the lowest recorded being a fraction below zero.

The number of days when the average temperature was below 32 during the past winter was 68, while that for the previous winter was only 23 days.

Wintry conditions began unusually early, December 15, and there was practically no let-up until March 9. For well-sustained disagreeableness it can take its place with the worst of them.

Why Blankets and Comforts Need Washing Now

Our ideas about many familiar things develop as we move along. If blankets and comforts were washed once a twelve-month a century ago, our forefathers thought it was sufficient.

Now we know that these bedclothes become soiled, even if to the eye they may seem sanitary enough.

If you would have your blankets and comforts as spotless and immaculate as your other bed linen, send them to us. We employ a special method of laundering that makes them light and fresh, that gives them a wonderful fluffiness.

Our method of drying frees blankets and comforts from every impurity—gives to them the feel and look that nature bestows when they are dried in the sunshine on a summer's day.

Send us such of your comforts and blankets as you can spare the next time our representative calls for your family washing. Or, telephone, and we will have our man stop in when next he visits your neighborhood.

To sum up the Telephone Rate Situation

THERE are these facts before you!
This company has experienced all
of the increased costs of furnish-
ing telephone service, and the public is
still enjoying the low rates of pre-war
days.

A year of even greater importance
than any that has gone before is now
confronting us—with its heavy require-
ments for extensions and improvements
of the plant and of the service.

The company has no margin on
which it can fall back. It has exhausted
every possibility of economy, and still
finds itself far from making ends meet.

Notable inventions and equipment
perfections cannot be brought into play
immediately to help the situation. Time
and capital are required—much of both.

Adequate rates alone will insure the
carrying out of the program for 1920
which will meet the desires and the re-
quirements of the public.

Adequate rates alone will make it
possible for us to pay our bills and meet
our obligations to the users of the serv-
ice, to our employees, and to the owners
of the property.

These obligations deserve the serious
thought of every telephone user.

We are, after all, only your stewards
in the furnishing of a great, important
public service. That service must grow
and must be the best. And adequate
rates alone will make this possible.

Robert J. Edgar Elected President of the Civic Association

CHOSEN PRESIDENT AT ANNUAL
MEETING HELD LAST FRIDAY
EVENING—OTHER OFFICIALS
SELECTED AND INTERESTING
TALKS GIVEN.

Robert J. Edgar, who has served the Narberth Civic Association so faithfully and efficiently as Secretary during the past year, was elected President of the organization at the annual meeting held last Friday evening in the Community Room of the Y. M. C. A. Other officers elected for the ensuing year were: Vice-Presidents, A. J. Loos, J. H. Nash, Mrs. C. P. Fowler; Secretary, Miss Ruth E. Prescott; Treasurer, Miss Maizie J. Simpson; Director, to serve two years, Walter A. Fox; Directors, to serve three years, Mrs. A. B. Ross, A. E. Wohlert, J. Garfield Atherholt, C. L. Warwick, I. A. Miller, Mrs. David D. Stickney.

The first meeting of the new officers and Board of Directors will be held Thursday evening, April 15, in the Y. M. C. A. Community Room, at which time President Edgar plans to appoint committees and outline plans for the year's work of the Association.

Last Friday evening's meeting was well attended, and those in attendance

Getting Ready for the Tennis Season

MANY NEW MEMBERS ELECTED.
COMMITTEES APPOINTED—PLAN-
NING TO PUT COURTS
IN SHAPE.

Anxious members of the Narberth Tennis Association who cast longing glances at the "battlefield" every time they pass the Association's courts at Elmwood and Essex avenues, these fine spring days, are asked to keep just as patient as they can!

The newly elected officers of the Association have organized for the season, the committees have been appointed—the Grounds Committee is already on the job—and the playing season will start as soon as possible.

President Newell has selected the following committees for the 1920 season:

Grounds—Chairman, Jesse Harris, and Messrs. Grugan, Tompkins, Fenno, Bailey.

Membership—Chairman, Perry Redifer, Sr., and Messrs. J. Harris and Muschamp.

Tournament—Chairman, Newell, and Messrs. Staples and Kirkpatrick.

Entertainment—Chairman, Pattison, and Messrs. Grugan and Muschamp.

The Grounds Committee hopes—but makes no definite promises on account of the uncertainty of April weather—to have the courts ready for playing by May 1. Our Town is keeping in touch with Chairman Harris, and will "flash" the glad news to a waiting world at the very earliest possible date.

The Membership Committee has approved the applications of 31 new members, including four lady members, who will be immediately notified of their election.

Trustees Organize.

The newly created Board of Trustees who have charge of the development of the new Tennis Club house and grounds, has held its first meeting, organized and selected W. R. D. Hall as chairman. The Trustees will shortly have an important public announcement to make, probably in time for next week's issue of Our Town.

Special Easter Music

A musical treat is in store for those who attend the Baptist Church of the Evangel Easter Sunday.

The choir, under the direction of Mr. Walter M. Keepers, will render a number of selections especially appropriate for this occasion.

Miss Mary Fulton Gibbons, violinist, of Narberth, will assist the choir at the evening service. A most cordial welcome is extended to all.

FEW CHANGES IN METHODIST ASSIGNMENTS ON MAIN LINE.

Few changes in pastorate resulted from Bishop Berry's appointments at the Philadelphia Methodist Episcopal Conference.

Newcomers are the Rev. A. S. Walls, Narberth; the Rev. W. L. Steck, Cynwyd, and the Rev. L. M. Johnson, Paoli.

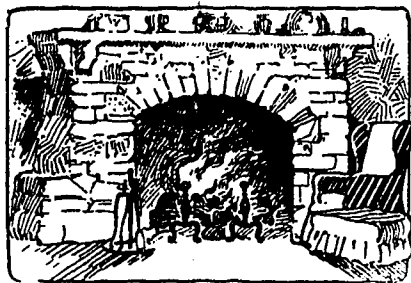

Retained in their charges were the Rev. S. R. Dunt, Matthew Simpson M. E. Church, Ardmore; the Rev. J. R. T. Gray, Radnor M. E. Church, Bryn Mawr; the Rev. C. D. Brodhead, St. Luke's M. E. Church, Bryn Mawr; the Rev. E. W. Rushton, Wayne; the Rev. O. S. Duffield, Llanerch; the Rev. A. W. Quimby, Berwyn, and the Rev. T. M. Hyde, Malvern.

Gladwyn will be supplied.

CLEAN UP WEEK.

A committee on Clean Up Week, which is not a week at all, but three days, has been appointed by the Main Line Citizens' Association, with Mr. Charles Z. Tryon as chairman. The Lower Merion Township Commissioners have fixed April 27, 28 and 29 as the dates for the Clean Up.

It is the hope of the committee and of the commissioners that householders will do their part in making the civic housecleaning a success, and in keeping up the good work throughout the year. Nothing makes so vivid an impression on the visitor to a town as the appearance of its streets, yards and vacant lots. It will be well to gather up the paper and tin cans for Clean Up Week, but it will be much better not to throw any more paper and rubbish where it will need to be picked up or remain an eyesore to all observers, except perhaps the owner of the unsightly spot.

THE FIRESIDE

Is your lawn mower ready?

Gardeners on Anthwyn Farms are getting busy.

That is quite a nifty real estate sign in front of Mr. Shands' office.

Spring weather should bring talk of baseball.

Did you attend the Civic Association meeting last Friday evening?

Mr. H. R. Hillegas, of Elmwood avenue, is in Chicago.

Mr. George Turner, tenor, and Mr. George Murdoch, bass, will each render a solo Sunday at the Baptist Church.

Good rose bushes planted April 1st should bloom about June 1st. Narberth Rose and Peony Show June 5.

Remember the Community Club Card Party on Saturday evening, April 10th, one of the biggest events of the season.

Messrs. Wm. Simpson and E. O. Conkling, of Narberth, were drawn for jury duty.

Mrs. G. Howard Reese and daughter, Elma, are spending the Easter holidays in Hollidaysburg, Pa.

Don't fail to hear Miss Mary Fulton Gibbons, violinist, at the Baptist Church Easter Sunday night.

\$3.00 per year is the cost to you in being a sustaining member of the Narberth Fire Company.

We don't want to take any joy out of life, but don't forget we had over six inches of snow on April 8th and 9th, 1916.

There is a rumor that the Woman's Community Club intend to knock the "H. C." from "Living." Watch Our Town for full particulars and dates.

Mrs. L. N. Mulford, formerly of Narberth, was the guest of Mr. and Mrs. Dohard, of Wynnewood avenue, on Wednesday last.

Mrs. Katharine Trowbridge, contralto, will sing "Christ Is Risen," by Sullivan, Sunday morning at the Baptist Church.

Bridge and 500 will be played at the Woman's Community Club Card Party on Saturday evening at Elm Hall. Get your tickets early, as a big crowd is expected.

Have you read "The Object of the Narberth Civic Association." It is printed from time to time in the columns of this paper, and should be read—and read again.

Sunday evening, at the Baptist Church, Miss May Fichis, soprano, will sing "Jesus Lives." Violin obligato by Mayo.

The "farmers" who will work on the Anthwyn Farms tract this summer under supervision of Postmaster Haws are preparing to plant just as soon as the ground is workable.

Have you renewed your membership in the Narberth Civic Association? Cost of a year's membership is \$1.00.

Mr. and Mrs. Marmaduke Bowker, Jr., formerly of Riverside Drive, New York, will occupy their new home, 102 Woodside avenue, after extensive alterations are completed. Mrs. Bowker is the daughter of the late Governor General Gumphe, of Nassau.

The Woman's Community Club will hold its meeting Tuesday, April 6th at 3 P. M. in the club rooms of the Y. M. C. A. Building. The speaker will be Dr. Harriet Hartley, Chief of the Bureau of Child Hygiene of Philadelphia. All who have heard Dr. Hartley will of course want to invite their friends, and

Flavoring Extract.

A number of bottles of vanilla, lemon and orange extracts have been disposed of during the past week. The flavoring is excellent in quality, the price is 35c. per two-ounce bottle, and your purchase will greatly benefit the treasury of this organization. Will you kindly place your order with one of the members?

Rummage.

The Women's Auxiliary want you to do something for them. They want you to send them things, anything and everything, for their rummage sale. Discarded clothing, shoes, hats, old furniture, pictures, china, cooking utensils, etc., etc., will all find ready purchasers, and your contribution will be called for just whenever it suits your convenience, if you will kindly phone your wishes to Narberth 1611 W. 623 R. or 1649 W. The store room is gradually being filled, but it is earnestly hoped that the calls during the next two weeks will warrant using another room. The revenue from this sale will be used in making final settlement of the winter's coal bills. Will you help?

WOMAN'S COMMUNITY CLUB TO GIVE CARD PARTY.

Plans are completed for the Card Party to be given Saturday evening, April 10th, at 8 P. M., in Elm Hall. Tickets are selling fast, and it is requested that all those desiring tickets should get them at once. This is not for club members alone, but for anyone who wants a good time. Tickets can be secured from Mrs. Harry A. Jacobs at \$1.00 a person.

Easter Sunday in the Presbyterian Church

By the Committee.

As a fitting climax to the most helpful series of meetings held by this church during Holy Week, comes the beautiful Easter Day, which will be joyously celebrated in prayer and sermon and song. The Church Quartette will render special music in the morning, and in the evening a double quartette will sing the beautiful Easter cantata, "Everlasting Life." Special exercises will be held also, in the Sabbath School and Christian Endeavor meetings. It promises to be a wonderful day in the history of this Church.

The Royal Court of Sabbaths is 52 in number. 51 are Princes clothed in finest purple. But Easter Sabbath is the Queen of the Household. She wears a richer diadem and wields a more costly sceptre and in her smile are all nations blessed. Over the broken tomb in the garden she has written in glorious letters such words as **Life**, and **Hope** and **Victory**, and through all the world she sends her messengers to the downcast and defeated with the glad tidings of triumph over sin and death. Let us not make this holy day a mere holiday. But in the glad assurance that Christ rose from the dead and still lives, let us seek on this blessed Easter Day the assurance that we too are living in the newness of His life.

SCHOOL NOTES

"Without halting, without rest,
Lifting better up to best."

On Thursday, April 1, our school closed for Easter vacation. Appropriate exercises were held in celebration. The many words of encouragement and appreciation given by the audience help to more than repay those who spend countless hours in preparation.

Baseball practice has started and many speculations are offered as to who will "make" the team. May the Narberth School spirit bring the boys out for practice and so help create a winning team. Appeals for loyal co-operation on the part of the boys and girls have recently been given as part of the English work.

These are busy days for the Seniors. They are rehearsing for their Senior Play, doing their best to gather good material for their Year Book, which is well under way, and carrying their regular school programs besides. The editors of the Year Book do show wrinkled brows occasionally, but if you ask them, you'll find them ever optimistic—and ever working. It's up to their friends to support them!

Important!

Just released from Broadway. What? Why, "Miss Somebody Else," of course. It's the biggest hit of the season, and reserved seats in the High School auditorium at 8 o'clock on Saturday, April 17th, are offered for the moderate, almost insignificant, sum of 75 cents; regular admission is 50 cents.

Get your tickets early, as we have only five hundred on hand. Let somebody else miss "Miss Somebody Else," but make sure you're not Miss Somebody Else!

AMATEUR ATHLETICS

Sport for sport's sake, something which every American man, woman, boy or girl appreciates, holds a big place in our lives.

When sport is highly professionalized by the paying of big salaries, it ceases to be sport, and is merely a business proposition or an exhibition of skill with the sport left out, and is not genuinely appreciated as real sport for sport's sake.

Our school boys put up exhibitions in various lines of sport that are a credit to the sporting instinct, the boys and the game itself. Some of these boys later develop into fine amateur athletes, and are very proud of the fact that they are amateurs, although they may be the most expert performers in their individual lines.

Just a word of praise to the Narberth Amateur Baseball Club, organized in 1919. Let us hope they will have a very successful season in 1920 and that the people of Narberth will root for them and help them bring down the championship.

Editorial

While Our Town is always pleased to receive communications regarding the welfare of Narberth, yet two communications have been submitted to Our Town by our Burgess and President of Council, contents of which we deem it advisable at this time to withhold, but which deal directly with the unfortunate conditions existing.

The writer of one of these letters states that he does not want any "provincial ideas regarding the proclivities of boys, but it is very apparent that the corner lounging in Narberth should receive particular attention, for it is eating into the respectability of the town, and from personal experience I know that the 'gang' contains two or three members whose vicious inclinations won't be exceeded in Rament."

Narberth Council has authorized the appointment of a special policeman, and is making every effort to secure an efficient and vigilant police officer who will be instructed to end at once the evils complained of in these letters.

No positive plans have as yet been developed regarding the Narberth Baseball Club for this season, and many of our local enthusiasts are wondering just what will be done in placing a first-class team in the field at an early date. As the season is almost upon us, if anything is to be done in this respect, quick action must be taken, and it is sincerely hoped that our local townspeople will not overlook the great importance of having a representative 1920 team for our borough, as there is no doubt but that the past Narberth baseball history has done as much as anything to advertise our borough, as very few of the Philadelphia suburban towns can boast of as high a standing as Narberth can in this respect. The

SALARIES RAISED.

Haverford College Faculty Get 20 to 45 Per Cent. Boost.

At the meeting of the Board of Managers of Haverford College last week at Haverford, a notable increase was made in the salaries of the faculty. Full professors were raised to \$5,000 a year, associate professors to \$4,000, and as-

sistant professors to \$3,000, making an increase of from twenty to forty-five per cent. for all members of the faculty, with an average increase of about thirty-five per cent. The salary of instructors will vary widely, according to length and character of service rendered.

Before 1914 Haverford had stood in the first rank among colleges of its class as regards the compensation of its faculty, but recent price increases had made the old salaries insufficient. The action of the board puts the salaries at the Main Line institution on an equal basis with the rest of the colleges of its class in the country.

At the same meeting Dean P. Lockwood, associate professor of Latin, was elected librarian of the college library, which contains 80,000 volumes, being the largest collection of books on Quaker history in America. Dr. Rayner W. Kelsey was appointed professor of history.

FIFTH MOORE CHILD DEAD.

Rachel Moore, the remaining child of the negro family found isolated and suffering from pneumonia two weeks ago in a lonely house on the Darby Creek road in Haverford Township, died on Wednesday in the Bryn Mawr Hospital, making the fifth death in the case.

THE FIRESIDE

(Continued from Page 1.)

members can secure guest cards from Mrs. W. Mulholland, Chestnut avenue.

Have you ordered your dahlia roots? The growers are distributing complete and comprehensive catalogues. Roots should be planted in the open about May 15, so that your flowers will be ready for the Narberth Dahlia Show, September 25.

There will be so many necessary articles at attractive prices and good quality that everyone ought to make some provision for carrying their goods home; therefore, bring your shopping bags with you April 23rd and 24th, at the Woman's Community Club Bazaar in Elm Hall.

The Woman's Community Club of Narberth have planned a big time for their Card Party to be held next Saturday evening in Elm Hall at 8 o'clock. The admittance is \$1.00, and up to the present moment a large number of tickets have been sold. Refreshments will be served and a very pleasant evening is planned for. It will be well to make early reservations, as tickets are going very fast, which can be procured from any of the Club members.

The Women's Community Club will give a card party on April 10, at 8 P. M., in Elm Hall, which promises to surpass all their previous efforts in this direction. There will be tables for "bridge" and "500," with many beautiful prizes. All who want a good time should get tickets early from Mrs. Harry A. Jacobs, chairman of Hospitality Committee.

The political debate under the auspices of the Citizenship Department of the Woman's Club of Cynwyd, between Mrs. Rosalie Loew Whitney, of New York, representing the Republican National Woman's Committee, and Mrs. Antoinette Funk, of Washington, representing the Democratic National Woman's Committee, will be held on April 15th in St. Matthias' Hall, Cynwyd, instead of April 8th at Bala-Cynwyd Auditorium, as previously stated.

man Pattison says that the affair will be held in Elm Hall the latter part of this month or early in May. He plans to announce the exact date in next week's issue of Our Town.

The dance will be for the members of the Association, who will have the privilege of inviting a limited number of their friends. Tickets will be \$1.10, including war tax.

It is planned to introduce a special feature at this spring dance which will make an especially interesting appeal to the active members of the Association.

NARBERTH AND NARBROOK.

The 1920 edition of the Main Line Atlas has just been distributed; published by a Narberth man, by the way. It is found that the only park development or model housing project in this section is Narbrook Park, in Narberth.

Houses have been built on twenty-six of the forty lots. This achievement of the Narberth Civic Association has been proclaimed a success and is certainly a credit to the Borough of Narberth.

DR. HARRIET HARTLEY TO SPEAK.

At the next meeting of the Woman's Community Club, April 6th, at 3 P. M., in the Y. M. C. A., Dr. Harriet Hartley, Chief of the Bureau of Child Hygiene, Philadelphia, will speak on "Child Hygiene," a subject of vital interest to all parents and one which could not be better discussed by anyone than Dr. Hartley.

As this is expected to be quite a large meeting, it is requested that Club members secure guest cards from Mrs. W. Mulholland, Chestnut avenue, in advance, in order to avoid any confusion at the door.

TO ENTERTAIN MISSIONARY SOCIETY.

The Woman's Foreign Missionary Society of the Methodist Episcopal Church will be entertained at the home of Mrs. George Morrill Davis, 121 Woodside avenue, on Monday afternoon, April 5th, at 2.30 o'clock. Lesson in our study book, "Crusade of Compassion," will be given by Miss Dorothy Chalfonte and Miss Olethia Lamb. Miss Marian Knapp, Mrs. H. H. Kynett, and Mrs. R. H. Schaefer, District Corresponding Secretary of the Philadelphia Conference, will have part in the program, which is in charge of Mrs. Charles E. Kreamer. Members and friends are invited.

FOR NATIONAL DELEGATE.

Clayton Alderfer, of the Penn Trust Company, Norristown, and Joseph R. Grundy, of Bucks County, are candidates for the Republican nomination as delegates to the Republican National Convention. Freas Styer and Charles Johnson, leaders of the party in this county, have filed petitions for membership on the State Committee of the Republican party.

LAST TWO NARBERTH WINTERS.

The snowfall at Narberth for the winter that officially ended March 20 makes a striking contrast to the snowfall of the previous winter.

For the winter recently ended the snowfall amounted to 33.6 inches.

For the previous winter the snowfall amounted to 4.2 inches.

Of course, the previous winter was a joke affair, one of those freaks that will occur from time to time, the most remarkable being that of 1889-90. There were no excessively low temperatures during the recent winter, the lowest recorded being a fraction below zero.

The number of days when the average temperature was below 32 during the past winter was 68, while that for the previous winter was only 23 days.

Wintry conditions began unusually early, December 15, and there was practically no let-up until March 9. For well-sustained disagreeableness it can take its place with the worst of them.

Why Blankets and Comforts Need Washing Now

Our ideas about many familiar things develop as we move along. If blankets and comforts were washed once a twelve-month a century ago, our forefathers thought it was sufficient.

Now we know that these bedclothes become soiled, even if to the eye they may seem sanitary enough.

If you would have your blankets and comforts as spotless and immaculate as your other bed linen, send them to us. We employ a special method of laundering that makes them light and fresh, that gives them a wonderful fluffiness.

Our method of drying frees blankets and comforts from every impurity—gives to them the feel and look that nature bestows when they are dried in the sunshine on a summer's day.

Send us such of your comforts and blankets as you can spare the next time our representative calls for your family washing. Or, telephone, and we will have our man stop in when next he visits your neighborhood.

To sum up the Telephone Rate Situation-

THERE are these facts before you!
This company has experienced all
of the increased costs of furnish-
ing telephone service, and the public is
still enjoying the low rates of pre-war
days.

A year of even greater importance
than any that has gone before is now
confronting us—with its heavy require-
ments for extensions and improvements
of the plant and of the service.

The company has no margin on
which it can fall back. It has exhausted
every possibility of economy, and still
finds itself far from making ends meet.

Notable inventions and equipment
perfections cannot be brought into play
immediately to help the situation. Time
and capital are required—much of both.

Adequate rates alone will insure the
carrying out of the program for 1920
which will meet the desires and the re-
quirements of the public.

Adequate rates alone will make it
possible for us to pay our bills and meet
our obligations to the users of the serv-
ice, to our employees, and to the owners
of the property.

These obligations deserve the serious
thought of every telephone user.

We are, after all, only your stewards
in the furnishing of a great, important
public service. That service must grow
and must be the best. And adequate
rates alone will make this possible.

The Bell Telephone Company
of Pennsylvania
